SALT & LIGHT

Dear Delegates,

Welcome to the first edition of the Transform 2011 updates! It is great that you have made a booking for Transform this summer and we are looking forward to seeing you at Lenchwood. These updates should do as they say on the tin and keep you updated with developments and news around Transform. So read on to get the latest...

Rend Collective Confirmed

We are very pleased to announce the latest addition to the line-up for Transform. The Rend Collective started in 2004 when a group of 20 somethings began trying to figure out life, God and community. In 2007 it grew into a collective of musicians and artists trying to share with the world what they were learning. Check out the website (rendcollectiveexperiment.com) and their myspace page (myspace.com/rendcollectiveexperiment) to listen to the music, check out pics and learn more!

JJ is Back!

We have some exciting news for all you JJ fans out there ... **he is back for Transform 2011!** Last spotted at a Salt & Light summer camp back in 2009 JJ is going to be hanging out in the kids' tents throughout the event sharing all sorts with you guys. Look forward to lots of laughs and learning.
