

Dear All,

The smell of fresh cut grass is in the air and the mornings and evenings are getting lighter. That can only mean spring is getting pretty close now and so summer and Transform can't be too far away. It has been a couple of months since our last Transform update early in January. Over the next few updates we'll keep you informed on programme developments and news – starting with info on tent hire, the choir and volunteering.

Hassle-Free Tent Hire

We've teamed up with *Discovery Tents* to be able to offer a low cost tent hire service for Transform delegates. So if you (or any friends) don't have a tent but still want to camp with your church, check out the Transform website. All tents are set up before you arrive, taken down after you leave and include air beds – simple and hassle free. Tents can be hired for £75 for the full event and sleeping bags are available too.

Visit the 'Accommodation & Food' section of the Transform website for more info.

Choir members wanted!

If you fancy being involved in the wider worship team, have a voice and would enjoy being part of the choir - contact David Wastie on 07974242435

Volunteering

Last year over 150 people were involved in helping to make Transform a success. Volunteering is a great way to have fun, meet people and enjoy a slightly different side to Transform. Details are online now via the 'Booking' tab on the Transform website. We are looking for people to volunteer in the following areas:

- arrivals
- children & youth work
- first aid
- stewarding

Some volunteering areas carry event fee discounts so could help towards the cost.
